**C12 Insurance on Property—Part 1  
(Québec)**

(To be used with 2000 edition of text)

Study 7, pp. 27 and  
62–64

There is an inconsistency between the Homeowners Comprehensive Form (IBC Form 1503) reproduced on pp. 58–68 of Study 7 and the discussion of part of that form on p. 27 of the study.

The possible implication that the eighth and ninth extensions of coverage on p. 64 may increase the amount of insurance is incorrect; they do NOT increase the amount of insurance.

For study and examination purposes, students should be guided by the discussion of those extensions for the Broad Form on p. 27, which also applies to the Comprehensive Form.
